EDUCATION

Bachelor of Science in Civil Engineering
2021 - 2024
University of Perpetual System Laguna - Binan Campus

- Dean's Lister - 1st Semester (2021-2022)

Senior High School | Science, Technology, Engineering, Mathematics
2020
University of Perpetual System Laguna - Binan Campus

- With Honors
- Outstanding Performance in Mathematics and Science

CERTIFICATES & TRAININGS

- 40 Hours Construction Occupational Safety and Health Training Course with 2 Hours Training of Trainer TOT

- Blue Beam Workshop: Quantity Estimation in Construction
- Planswift & Primavera: Project Estimation & Scheduling

- Licensed Civil Engineer - PRC
- Registered Civil Engineer - PRC

SKILLS

- AutoCAD, SketchUp
- Blue Beam
- Cost Estimation & Bill of Materials
- Structural Analysis & Design Software (STAAD)
- Microsoft Office
- Project Management
- Property Management
- Site Supervision & Inspection
- QA/QC
- Planswift
- Primavera

Registered Civil Engineer with experience in property engineering, quantity surveying, project inspection, contractor supervision, and construction site coordination. Skilled in cost estimation, quantity take-offs, AutoCAD, structural analysis, and project monitoring. Adept at ensuring compliance with safety standards, project specifications, and quality requirements. Seeking to contribute technical expertise and problem-solving skills in engineering and construction projects.

WORK EXPERIENCE

PROPERTY ENGINEER

Ayala Property Management Corporation (APMC) / AMS
July 2025 - Present

- Prepare and present monthly project reports for in-house developments and ongoing construction residential projects on the property.
- Conduct regular site inspections and review construction plan of different construction projects.
- Coordinate with utility providers, vendors, and municipalities
